Susan Devenish Mutton M.I.T. is a registered member of The Institute of Trichologists (London), the Society of Cosmetic Scientists, and the European Hair Research Society. A licence is held with the Medicines and Healthcare products Regulatory Agency (MHRA) enabling the mixing and supply of creams, lotions and shampoos.

Trichological preparations are prescribed for the individual needs of each patient following the consultation and diagnosis of the scalp and hair condition. If a treatment is thought necessary, arrangements can be made for appointments within the practice and will complement the ongoing regime suggested for your home use.

The practice offers the following preparations, mixed and supplied for individual needs of each patient including their family members, for the relief and control of sensitive scalp conditions, including excessive oiliness, eczema, psoriasis, hair shedding, hair thinning and hair losses, both patchy and diffuse.

CREAMS FOR THE SCALP

Juniper Scalp Cream

Effective on severe scaling and irritation of the scalp. Cade oil is the derivative of the juniper tree and is one of the calming ingredients in this scalp cream.

200ml, Order Code: **19** £10.50
2x200ml, Order Code: **20** £20.00

Salic Scalp Cream

A white scalp cream with blended ingredients to aid the control of all types of scale on the scalp.

200ml, Order Code: **15** £10.50
2x200ml, Order Code: **16** £20.00

Sulsal Scalp Cream

A pale yellow cream blended with suitable ingredients to not only aid the removal of scale associated with eczema but to control oiliness on the scalp and hair.

200ml, Order Code: **13** £10.50
2x200ml, Order Code: **14** £20.00

Emollient Mask for Hair and Scalp

A cream for the scalp and hair. It is an intense conditioner when left for 10 minutes prior to shampooing. Particularly good for dry curly hair and calming to a dry scalp. It will work on both at the same time.

200ml, Order Code: **21** £10.50
2x200ml, Order Code: **22** £20.00

Menthol Scalp Cream

A blue cream for use on the scalp when stimulation and cooling are needed. This cream is especially recommended for Alopecia Areata and following chemotherapy treatment.

200ml, Order Code: **17** £10.50
2x200ml, Order Code: **18** £20.00

'Ingredients are added or omitted to develop the best regime for each person I see - a truly 'tailor made' service for your scalp and hair.'

Please see reverse of leaflet for ordering details.

SHAMPOOS

Clear Shampoo

A hypoallergenic shampoo for use on all hair types. Made up with the mildest of shampoo bases.

200ml, Order Code: **1** £7.50

Juniper Medicated Shampoo

A medicated Shampoo incorporating a derivative of the juniper tree, cade oil. A product that has proved to be very effective in controlling an itchy, flaky scalp.

200ml, Order Code: **2** £7.50

Antistat Shampoo

An antiseptic shampoo, conditioning to both scalp and hair. Recommended as part of a regime, used as a final shampoo after the application and rinsing of Juniper medicated shampoo.

100ml, Order Code: **3** £4.00
200ml, Order Code: **4** £7.50

Menthol Shampoo

A medicated and stimulating shampoo. Recommended for use with other menthol products.

200ml, Order Code: **5** £7.50

Anti-dandruff Shampoo

A highly effective shampoo for the control of a flaky scalp both if the hair is oily or dry.

200ml, Order Code: **7** £7.50

All shampoos can be supplied in a litre size with pump dispenser.

£30.00

RECONDITIONING FOR HAIR

Protac Light Hair Conditioning Cream

An acid balanced conditioner for hair. A light cream, when applied to the mid lengths and ends of the hair following shampooing and rinsing, will give the hair the ability to hold moisture and give additional shine to it.

200ml, Order Code: **9** £10.50
2x200ml, Order Code: **11** £20.00

Leave in Restructurant

A product to enhance the condition of the hair that can be used on wet or dry hair to help the hair hold moisture.

200ml, Order Code: **36** £8.00

LOTIONS & TONICS

Irritant lotions are applied and supplied for alopecia areata as necessary.

Cationa Scalp Tonic

A scalp tonic that is applied after shampooing and rinsing to give a freshness and balance to the scalp.

200ml, Order Code: **23** £7.50

Salic Scalp Lotion

Liquid drops to be applied to aid itching on the scalp and slight scale/redness, eczema.

200ml, Order Code: **24** £7.50

Menthol Scalp Lotion

Scalp drops with an active ingredient to cool and stimulate the hair follicles, especially on diffuse hair loss (when the hairs are shedding and renewing more than is usual).

200ml, Order Code: **25** £7.50
